AMENDED TREASURY AUCTION RESULTS

In the most recent 2-, 5-, and 7-year Treasury note auctions, the amounts awarded to the Federal Reserve's System Open Market Account (SOMA) were understated due to a clerical error.

The table below shows the corrected award to SOMA for each auction.

Security	CUSIP	Auction Date	Issue Date	Original SOMA Award	Corrected SOMA Award
2-year note	912828NS5	06/22/10	06/30/10	\$1,157,955,700	\$1,191,289,000
5-year note	912828NL0	06/23/10	06/30/10	\$1,100,057,700	\$1,131,724,400
7-year note	912828NK2	06/24/10	06/30/10	\$868,466,600	\$893,466,600

The SOMA tendered, SOMA accepted, total tendered and total accepted amounts in each auction increased accordingly. All other details in the auction results press release for each security remain the same.
